I recently started having trouble with Renguard. I get a message:

[13] Message from RenGuard: You have been banned by mac on 27.03.2005 00:40:31 for nopic01: Attempting to bypass RenGuard. Goodbye.

I have never cheated, don't know how, and think this is an error of some sort. How do I fix this? Please help.

God'damn people trying to bypass the safe RenGuard. Stop trying to punch a hole through the damn condom, it can stretch over your damn head and suffocate you.
