It says this when I go to install the CP1...

If you experience problems with renegade (e.g. renegade won't start, always.dbs missing, wrong language), make a note of what this program says and report it to blackhand studios.

Language ID=0

English Detected

Removing old always.dbs

Removing new german always.dbs

Removing new french always.dbs

Renaming new english always.dbs

Now renaming scriptsx.dll to scripts.dll

error 17

Help? lol... Thanks

as said, wrong forum

but its probably because u didnt install 1.037 patch before renguard (its amazing how many people dont do this....maybe BHS should integrate it into CP2 install next time....)
