runs outdoors

Okay, so this one time, Randy Beaman had a pet frog, but the pet frog was evil and it ate his favorite teddy bear while he slept. He told his mom, but his mom didn't believe him. The next morning when his mom woke up, Randy Beaman was gone and the frog was on his pillow! True story!

...

Okay, bye. *runs back indoors*

Don't know what an emo is? Try Funeral for a friend or My Chemical Romance. If you still don't get what an emo is google it.

As for hypocrisy please point out to me where I've been so hypocritical.

Ever since I read this I'm not "bored" anymore. Whenever I feel boredom settling in, I remember it:

Quote:15 Go everywhere, and preach the gospel.
19 These signs shall follow them that believe; In Jesus Name they will
cast out devils; speak with new tongues;
18 take up serpents; and if you drink any deadly thing, it shall not
hurt you; you shall lay hands on the sick, and they shall recover.
-Mark 16:15,17,18

If you're bored, you're not doing the will of the Father.

Ok, since im bored and everyone thinks of me as a "spammer" i figure ill get my thoughts on this.

Ok, one time i was playing red alert two, and i had 200 mirage tanks. And he had a lot more prisms and apocolypse (about 150 of each) but then when he attacked he lost all his tanks and i ran over him with rocketeers then he thought i cheated, so then i went and made a sandwich (turkey and cheese) then i came back and he said i was a haxor, i laughed and let him live, then i went and had dinner, came back and he still hadnt attacked then i went shit and he got 10 engis into my conyards somehow and i lost because i didnt have anything AROUND myt conyards and he used nighthawks so yea...i suck

Btw, Red Alert 2 ROX MY SOX
