Leaving channel...

Your are not the channel operator.

Okay

That error means you should do this.

- 1.) obtain can of Wd40 and a lighter
  - 2.) point nozzle of Wd40 can toward you and spray
  - 3.) Light lighter and stick it in front of nozzle
  - 4.) observe results.
-

Here's the solution to your problems, nopic.

Panda pants!!

happens i think when you quit the server really fast after typing a message

i think

i've had it a few times
