Who do you admire on the forums?

\*\* (If you don't like the word admire than think of it as who do you greatly respect, look up to or something similar.)

For me I would have to say DJM and Icedog90!

Why you would admire assclowns on a forum is far beyond my comprehension.

Ripintou, JeffLee, and anyone else here who is serving/has served in the most powerful military on the face of the planet. They can't be honored enough. No soldier can. I can only imagine the kinds of sacrifices they have had to make, from choosing to leave their stateside lives to defend the rest of us to having to experiencing the indescribable horrors they witness on foreign battlefields. They and anyone else who decides to dedicate their lives to defending ours, on battlefields both foreign and domestic (don't want to shortchange law enforcement officers) have my utmost respect.  
(I'm in a patriotic mood.)
