My site is the Westwood Experience. also what do you think of my site? what could it use? what could it lose?

Please post your opinions here.

Thank You,
Aaron-Webmaster of the Westwood Experience

Nice site.

You could make it for 1024x768.

Command and Conquer 3 and Red Alert 3 are tied!!!
A TS Sequel 34.2%
Red Alert 3 34.2%

Visited it a few times in the past and I think it is good.

Only thing I'd say was the grey, seems alittle bland and generic.
