dunno if this is the correct place to post it, if not please move it.

anyway i was in n00bless.com all out war server, host name A00000003 and there was a cheater in there and the server is a RG server and he was using RG aswell...

heres the screenshots:-

Hope this is enough proof, and he gets banned from the RG network.

no but he was on RG cos everyone was !Rg ing him and it was saying he was running on rg, u

would have to take my word for that otherwise a rg bypasser will be running loose.

Funny that same person was bypassing Renguard on one of the UNRULES servers.

Gj ridding of him.
