Hey i think this might answer ur question im not sure thoe but if u get XCC Mixer and go into the Always.dat folder they might be in there cause ive seen quite a bit of W3ds or if ud like to download them for Ren X westwood has it on there FTP thing im sorry but i dont no the FTP thing ive seen it quite a few times on this forum thoe so u might have a chance of seeing it .... Hope that helped out

all .w3d files for the game are contained in always.dat in the data directory. to extract use XCC mixer or renegadeEx.
