a while ago i installed the renguard server and then it would go to update and install core patch 2 but it will always crash in the middle of it ...

for now i disabled the update feature so it doesnt freeze up but i cant get into some of the renguard protected servers ...

PLEASE SOMEONE HELP!!

Core Patch 2 is not part of Renguard, and does not affect your ability to join RenGuard protected servers. It's only relation to RenGuard is being distributed through it.

Also, if you want CP2 try using the stand alone installer ->

<http://www.renegadeforums.com/index.php?t=msg&th=18892&amp;start=0&rid=3134>
