The screenshot shows an IRC client interface with a dark, textured background. At the top, it says "Advanced Listings" in large yellow letters. Below that, it indicates "Connected To: XCC WOL IRC Server" and "Login: DeAThR0VV". The main area contains a table of users and a game map.

Don't setup renegade to be able to connect directly to XWIS, when you try to connect through any of the normal servers it will automatically connect you to XWIS.
