Hi all, maybe you know me maybe you dont.

I got banned from this N0-n00bs because i didnt sent the ss! Geg asked me, but it was late and i never had made a SS before. so i was finding out. After all i didnt make the ss cuz i did something wrong So i could sent them...

Geg Accused me of Bigbodies. I never cheat i dont even know any cheat.

You can test me every game but i like to play on your server again. Now i know how to make SS this will never happen again.

Hope you can do something for me,

Sincerly,
Naigini

It would help if you posted on whatever forum no-n00bs uses, since they probably won't even see your topic here...

You will need to post on non00bs forums.

However, based on past experience you don't have much chance of being unbanned.

Not specifically non00bs, but the chances of any server I've moderated on allowing a person back after not delivering screenshots are slim to none.
