hey if modded in Le the presets and i did i good but when i put the objects in my FDS server and when the ppl are in it they oinly got a sniper when the are a soldier but when the are a engineer they dont got obi guns and thats strange
i also tested my objects in multiplayer practice and if i buy a engineer then i got the obi gun and i dont know why it is not working on my FDS capture the flag server
(yes i got the ctf)
