.BBFCheek.

Unnamed
i_am_back_lol
FUCK
HOST:HACKER
lol
lookatme.ihaxu

Kills anything with one hit, made him take a test, forgot to take SS, anyways, he failed MISERABLY, two shots and i was almost dead, and the bullet hole were in the wall.
Banned over and over, IP bans, on ELITE CTF (Dun serve)
Able to hack his way out of IP bans, since he says he doesnt have a dynamic ip.

Just be on the lookout, NBKBlazin, NodServnt, Myself, many, many others have seen him ruin DUN CTF games over the weeks.

Ill be posting more SS, when I get them.

Not allowed to give a heads up anymore?

Thats pretty rude, considerin all im tryin to do is help the server owners/mods to watch out for weird names like these ones.

Grow up.

mmk so 1v1?

On-Topic Untill you provide some sort of FRAPs or a decent screenshot, not many server owners will believe you and ban this dude when he joins the server.

So then, your assuming my Clan/Myself is hacking?

When he changed his name, after being booted about 50 times, i was the only one kicking/
causing him to get kicked.
Because i was the only one who cared.

Then he comes in game, with my name,

So its my fault?

OT: Im not asking you to ban him, because you cant.
Unless its a full RG server, he cant be banned for more then 5 minutes.
He'll come back.
And besides, im only giving a heads up, not asking for action to be taken, however, ill be in game
tonight looking for him.

I guess you didn't notice the part where I said "On-Topic" kinda figures. You have yet to see me play so I don't know how one would come to that conclusion.

How does today (02/03) at 8pm EST. Field sounds good. Normal CW rules?.

Since I'm from BBF..

We have already discussed this over at the clan site and forum..

He's banned..

We Don't want anything to do with cheaters..

Only n00bs cheat cuz they suck.. And it's a shame that a person cheats with a clan name which gives the clan (which isn't bad) a bad rumor..
