Alright, i found some hud files in the renegade demo always.dat.

it looks like it's the complete hud from the beta/alpha version.

now, if something with some knowledge about huds could put this thing back together.. i would be very happy

for anyone interested in how the hud looks, i uploaded a video. http://rasengan.nl/videos/betavideos/c&c_renegade-gamestar.avi

File Attachments

1) Westwood renegade hud.zip, downloaded 194 times

Looks cool.

Did logan get in that Harvy and Tailgun?
