Yup, atm, I'm the defacto 'certified' Lua instructor >.<

Dan seems to have been caught up by WoW. (Again, to my knowledge.)

I think C++ is easier actually.
You can do a lot more too.

Actually, You've probably already this at DCOM...But, I'll reiterate it here...

Dan actually has a worm on his computer >.< he hasn't been on lately because he's been busy trying to recover what he is going to lose. (I assume he's talking about a re-format. :/)

-MathK1LL

P.S. Spelling errors corrected xD

Thanks - 5 Hours of MGS for the PSX really gets you tired.

Oh man.. a worm you say?.. that's bad.. :'(
