Seinfeld is one of the best show of all time, despite Jerry Seinfeld.

Micheal Richards and Jason Alexander made the show from day one and if you don't like Julia then your going on my ignore list.

I haven't seen Cheers in a long time, then again, I don't watch television much either. Both are great shows though. :>

Cheers is an awesome show as well, but I didn't follow Frasier.

And I also wouldn't mind stapling Julia Louis-Dreyfus either.
