Christmas was originally a secular holiday, but then Christians hijacked it, and now it's back to being a secular holiday, and you're going to bitch and moan about it? I can't say that I'm surprised.

What's with you and religion? It's just pathetic. You're always hyped up about religion.

Who cares if it's fucking religious or not, it's still a holiday, and it's worth celebrating. You're some kind of obsessive anti-religious troll.

Seriously, you idiots need to get over it. If you don't want a fucking Santa hat because of religious reasons, is it too much to ask that you just avoid making it known that you don't want one for anti-religious reasons? Shove your anti-religious bullshit up your asses.

If I had a larger avatar, I'd want a Santa hat. Alas, it's a small GIF with no room for one. D:

And sadukar u should shut up, every one knows that u tried to kiss ur girlfriend and she slapped you so hard in ur face!!
If she was going to slap me, why would she be my girlfriend? Think before you type, hypocrite.
It did happen, when ur actual girlfriend add an "X" at the frond of that we call her.
Then you must be retarded, as any girlfriend wouldn't slap you, unless they hate you, which then they wouldn't be your girlfriend. Seems your little brain can't work that out. By the way? Have you got a girlfriend? (lol probably going to fail life haha.)

Now does anyone have a good tutorial for Photoshop on how to create a Christmas hat on a character/creature. I want to give the white raven I am using on a webpage to have a Christmas hat. Then upload the page on the day before Christmas.
