hell no

they said the CIA killed him

it were actually the, indians, no offence but they felt ashamed that he was singin with that retarded cher (half men half women) so they killed him with a axe.

usa goverment said the cia did it, just because they are afraid that the people would think it was osama bin laden,
however osama bin laden is related to the indians.

and now. yes now its pleco time.

1 day ban for renalpha...you guys just gotta try to be defiant and post the fucking plecocs despite a dozen warnings and even banning people for it eh?

Well step right up and keep putting your head on the chopping block, I don't have a problem with shooting fish in a barrel if you wanna be tards.
