Using wwconfig.exe ...?

If it isn't working, chances are you are using Vista, and need to run game.exe, game2.exe, and wwconfig.exe in XP SP compat mode and in Admin mode.

FAQ STICKIES!

As you couldn't be bothered, I linked you to the exact FAQ, follow the same instructions for all the .exe's I mentioned last time

Renguard has nothing to do with changing resolution.
