Nice one. That's a pretty damn hard thing to do, but it looks like a nice use of the SBH when it works...

Yeah, but that's obviously an SoQ exclusive feature in Renegade.

The timed was on HIS CHEST! He could not disarm himself...also, I think he was on scopes. The Meds firing did not help him either lolololol

And the funny thing about it is that he BLEW UP when he stood up to PM me the ?

lolololololllllllllllloool

Hes my buddy so it was all fun lol

omg ^...gonna try it.

EDIT: WAIT, even then, if you are disarming yourself, a aggressive SBH can easily kill you by lasering your head.

Imao...you are funny. Most SBH these days don't attack a full health Havoc unless the Havoc health is weak.

I usually take them out with a tank. 'Cause let's face it: Renegade is a tank game.

I drove a tank once, the other team died shortly after.

cos you gave them ur tank and they argued over who it should belong to...

as a consequence of this they didn't notice my tank killing their base.
