Nah, he didn't edit, I did. Just so he feels what it's like to have his total random, unnecessary, stupid post applied to himself.

So he said some stupid shit huh?

I don't mind CONSTRUCTIVE criticism, but please don't flame my skins.

I am just sharing them here to be nice. If you got a problem with them be nice about it or GTFO my skin threads, because honestly I don't care if one moron doesn't like one of my skins. I know there are prolly gonna be ten people that like it to balance it out.

Ty for the POSITIVE feedback.

Also just as a heads up I am working on some more Mario stuff.

I am goin to make a Boo stank skin soon, plus a Mario med, Luigi light, a Bowser mammy, and some others.
