Next time he'll send his dog or fish...

Have you ever followed the renguard ban subforum?

OMG add Ferkhat his brother on MSN (PM to get email)

Oh yeah check this out

You should simply point out that you don't actually have the ability to ban/unban. Maybe then they will go away.

What the fuck?

Also, Canadacdn != spammer, he's more of an extremely frequent awesome-poster.

lol, hypocrisy.

And lol @ ayden. As u6 said, they're both the same motherfuckers at heart.

You forget I know fud forums. You don't have access to the admincp which means you can't ban. I would bet you don't even have access to the group manager lol.

That and lets not forget you have already tried and failed to get me banned ...
