I'm sry, but i think this goes in another area. Here are some pictures of a TV show called NCIS, and i would like to have it so that McGee is the normal NOD minigunner, Zeba is the Flame througher, Tony is the NOD Shotgunner, and Gibbs is the NOD Engineer. Can anyone do this? If so, i would REALLY REALLY REALLY REALLY REALLY REALLY REALLY REALLY REALLY APRECIATE IT!

=samous

Gibbs:

McGee

Tony and Zeba

Are you joking?

Without changing the models they'd look horrendous. You're asking for a full remodel of each character AND a skin to top that off, which also requires UVW mapping the model.. for a set that one guy would use.

Also, her name is Ziva. I watch NCIS.

odd, the site i got itoff of said it was zeba, not zeva. i typed "ncis zeva" on google and it came up with 3hits.

EDIT: lol, i'm watching it right now as i'm typing. also, i thught her name was zeva 2, but i just assumed it was zeba b/c of my search resaults.

EDIT: 2 : i have decided, because of your last post, i will not reques this, so plz either ignore this, or send it to the spawm fest.
