Can anyone make me a palm in under and not the ugly

> pine_sno.w3d <

Thx in advance..

Sorry to butt in on this topic with my own question, but does anyone know what skin/texture is used on that tree. Under looks stupid with white trees and dirt ground

Maybe you could replace that tree with the palm mentioned in the new C&C_Islands_Egypt Thread?

well the rest of the map is snow

i like the trees the way they are..

a different shape would be kool

If anyone is interested here is the palm tree replacing the pines.

Also i am working on the map in LE to make it more sunny looking and its not snowing anymore

To match under with the palms

I mixed the map a bit
