i personally think Killaaa's water fall is the best, but altzan's creek is the best 2. I need to brighten the tiberium water to make it look better, i will also try it with scrin's tib water he released, unless he tells me otherwise.

And my creek:

Here is my new version of water, toxic water:

And toxic creek:

Finally here is Scrin's Toxic water:

And scrin's creek:

Scrins will not be released until i have permission. To install, just re-name the files below the either l05\_creek.dds, or l03\_wtrfall.dds.

here is a zip file with both killaaa's dds, and asorted other files that can be used for 103\_wtrfall.dds only. Every file has a ss, except killaaa's creek. Here is what killaaa's wtrfall looks like:

and the zip is here:
