Herrrrrro

heres another skin pack but for nod (does not include apache and trans)

V1

V2

enjoy

any probs tells me

(if you dont want it as dark or as bright as those two there i can make it in between)

File Attachments

it's cool, i also advise you to do apache and trans. The textures are in always2.dat and have a _m
at the end.
Overally nice, i like the first ones

here ya go

V1

V2

if anyone can send me the original transport chopper file that would be greatly appreciated

ill add these to the pack tommoz

sweet recons. best ive ever seen.

Ty I'm all set now with recons. Blue is Nods and GDI is red. Kinda opposite but it goes with my blue tron nod tanks.
