liek some people know i started yesterday with modeling
today i tried to make a rifle and the result looks pretty good
so i will release it here :

thx to player for being my model and making the cool pic

that's nice but ill stick to the classic AK-47

but tbh im more interested in your nod solider texture, can you release it?

PHOTOSHOPPED.

Look at some of the "t"s of Topic.
They have a curve at the top like an f, for, oh... say... FORUM.

Gotcha Scrinny, can't escape a Photoshop Mastah!

not really, you have to reimport it and then export it
EDIT: unless it has the same file name
