It a REALLY COOL GAME

I finished story mode already and the storyline is good
The little challenges ingame are made good too although the 'DIVE' challenges are easy
Best part of the game is the 'Web of Intrugation' (or something)
To get the whole in-depth story you'll need to consume ppl who worked at the project

I almost finished the game then my xbox freezes while saving. I had a corrupt save, so now I'm
gunna have to start over.
