He has no concept of what BIATCH is or that he was automatically caught cheating the first time he did it. He thinks a person caught him and is trying to convince everyone that it took us a long time to do so.

I tried to find a picture that does this thread justice but I just couldn't find anything. I don't know how you pic a thread that contains fail cheating, mass stupidity, UNrules moderation, AND gay porn all from the OP.

Because i wanted to proof you can go dirty while playing n00bstories and you wont be discovered anywhere fast. I wasnt using dmg hack all over, they disocvered my after i was shooting rl with faster velocity on Volcano.mix. I used not only dmg bonus. Just to proof it wasnt first game, im not lying. Most of times i used left button with normal damage, sometimes right with bonus. Theres alot of peeps on n00bstorie using "extra tools".

I do not use cheats while playing, i just wnated to see how long take mod to catch me. You can use spectacor mod as full mod and observe me.  
Why didn't you say so? This explains everything. I vote for unban

Also aren't you the same person who posted gay porno on the anti-unrules site then ranted and raved how it wasn't you til we told you we had your ip matched up.

No you'd never lie

Arent you the person that fought against UN, against tomm?

yup that be me and about a dozen others. what of it?

thank you for admitting your gay porno watching hack.

Even though i defended Queenhunter for his blunder, he clearly was cheating just don't know if it was online or not. I think this one is the best. You admit your a cheater. hope they ban you from every server.

Cool story, bro.

Dude everyone makes some weird,stupid mistakes. I known it was bad, but i was too cirious about that. No one smart would make thread like this to get some kinda fame around. Im kinda Fail Hero.
