well there is an unofficial patch for First decade located here
 http://games.softpedia.com/get/Patch/Command-Conquer-The-First-Decade-v1-03-Unof
ficial-Patch.shtml
but if your talking specifically Renegade, check out this thread for scripts and patches

Only thing i had to install in my First Decade was scripts 3.4.4 for renegade

BTW im thinking that the unofficial patch simply install a no-cd for all games. If it really does you
won't be able to play online with people who use the standard EXE's (atleast in Generals(+ZH)
that is)
