You all need to get your rosters in by tonight(Thursday, Sep. 24th)

If the rosters are not submitted by tonight you will start getting penalized.

Hey,

Due to short notice, could we play this one tomorrow instead? I haven't heard anything from Shadow-Team, nor do we know anything about server-information. We can probably be fully

prepared tomorrow granted we get the information we need.

I'm shippo from shadow team I believe that tomorrow would be ok, however it is a little rushed and some of our players may not find out it is tomorrow. As an alternative would next Saturday be ok as well, if we can't make it tomorrow?
