Our website was down for a week before the scheduled match, so we had no way of reminding people about the match. We also didn't have a motivated captain.

Spoony has given me approval to run the cw.cc team, and I can guarantee we'll show up for a rescheduled match against Jelly if you give us the opportunity. Now I understand that the match was already rescheduled once, so I completely understand if its too late. But our website is back up, both communities are interested in getting this match completed, and both communities have the players to do it.

So lets get'er done. CW.CC formally requests a rescheduling of the CW.CC vs Jelly match. This Saturday at 3 PM Eastern (I think thats the regular time) would be ideal.

Just let us know and we'll get to work to make sure this match completes successfully.

Thanks.

You were already forfeited, but I don't see a problem with it as long as Jelly confirms its ok with them.

I'm going to go ahead and get the cw.cc roster ready for this Saturday at 3:00 PM Eastern time, just in case. Please let us know if the match is back on, or if we have lost our chance already. Thanks.

It is up to Jelly. I would ask them if they are willing to play. If they say yes they need to confirm that here and CW.cc needs to post their roster.
