cp is autoinstalled by renguard..
scripts are included with mappack

That's a bit optimistic. I also wouldn't include renguard in an install guide anymore, as it has been discontinued.

Added this to the tutorial:

Note: If you do not want to get UberMapPack and just want to install the 3.4 Update then download this:
http://ren.game-maps.net/index.php?act=view&id=828
