I do like the custom pictures, but the text really turns me off. Making the text a little more fancy would be nice. Also, the icons with blue text don't really stand out very well. It's hard to read. It's a good start though.

They are looking good, but try to add a better border to it and no text :/

I use this icons atm:

Toggle Spoiler

In the original topic i added text to the pictures only, not the PT icons themselves and spelled a
few things wrong. i was just to lazy to make new pictures.
