The Renforums community war team would like to challenge Atomix for a community war in march. Could an Atomix responsible get in touch with me? Thanks.

I've posted your challenge on our forums, so wait for dippy or Xpert to reply or let me or Finman know what to say. I do know we already have a March 13 match against Jelly, and Exodus has some sort of event at the same time, so it won't be then.

Edit: Just so everyone knows, on March 14, Daylight Saving Time begins in the USA (and possibly Canada as well; I don't remember for sure), so keep that in mind when making time zone calculations.

If you wanted a match, why not make a topic on our forums instead of here?

Possibly not. I'll ask him to come and find you, though I'm sure you can find your way on to our forums or IRC server if need be.
