Well Anyways i was working on a skin for the Chem Warrior, So Far this Skin Look's Pretty well.
But Before i can Release it i need some help. Does Any one Happen To know the file name For
the Chem Sprayer, Spray Blast?. I have looked thru the Mix and i Can not find it so. if Any one is
Nice enough to help me that would be Great.

all i know its that the tib soldier is named
c_ag_nod_chemt.w3d
so there probably is a alike for the spray, probably tibspray or something
but i found something named
c_nod_chemt_goo.dds
i attached it so you can see if its right

File Attachments
1) c_nod_chemt_goo.dds, downloaded 158 times

You can change the color,size,shape of the chemsprayer blast in w3dviewer.
It is an emitter.
The name is e_chem.w3d or something

Yes i got it now, Thanks for the Help. Now all that is left is to get the Spray A Good Blue Color.

Thank You!
