Sorry to say, but I kinda dislike all these skins, they look like something good-one-driver/queenhunter would do tbh..

Good to see a new skinner on the forums tho, goodluck with future skins...

Cos i dont see a good1fag simply cop/paste texture /offtopic yes it is true i did, but the Gordan Skin i did do but i had to, due to C/p it onto the hands and wrist's and such. due to it saying Syntax Error..etc,
