Well i wanted to explain here a few things about a cheater using my name and more known names in reneagde and cheat with these names.. to make us look bad.

The cheater(nick faker) is know as chiefpower.  
Due his IP is Dymatic.. banning is nearly impossible..

This is froum our forum on MP-Gaming:

[14:53:58] <@b0Bm3h> !ip 174.91.249.68  
[14:53:58] -[Cloud]BoT- IP(s) that matched for nick 174.91.249.68: Strike, OSTK, WnXBerry, Vegeta, [THS]-Maxim, {Os}majid123, -TLS-DJ-EYE-K.

[04:34:43] -mpmdmbr- 174.91.249.68: ( .<sup>o</sup>.\_.<sup>ooo</sup>\_ (27/09/10), Strike (27/09/10), varsovi (26/09/10), irabomby (26/09/10) )

This one was just seeing who all used 'strike' in their names...and lol first two were Chiefpower, anything else noone used since 2009:

[04:36:41] -mpmdmbr- Strike: ( 174.91.249.68 (27/09/10), 174.91.253.120

So.. why do i make this post?

To make sure our names dont get ruined by this guy. or put to cheater because of this.

If server owners woult like to check my nick: Strike the ip should be a dutch ip. not a canadian one.

Thanks for your understanding.. (This also goes for Shaitan since the faker also uses his name)

Dont worry Cheif Power does this all the time. He has no life and can go die in a ditch. He joins many servers with moderator nick names including mine.

allright if you say so...

I was working on a script to block his ass.  
its filtering (8 out the 10 times) him our pritty nice these days..

I remember that night...I pissed him off by banning him in a few and he ran to Atomix doing the same. LOL.

@halo2pac: It doesn't work, he swaps it out more than a pair of underwear.
