Here is the link, I hope that Westwood/EA sees this:

<http://www.petitiononline.com/ren2/petition.html>

That is the petition for the production of Command and Conquer: Renegade 2, feel free to sign or not to sign.

So far there are 2000 people who signed, but I think that about 1 out of 15 people in the gaming world likes Renegade.

Westwood is no more, and all the Westwood related products are no longer supported or being made.

JavaxcxWestwood is no more, and all the Westwood related products are no longer supported or being made.

Maybe EA would consider making it if they belived it would have enough intrest...

But nah don't think it will happen.

Still signs it though

Jesus! We don't need another one! No way! I guess that's one advantage of WS being shut down though.

Two Harvard's... *shudder*
