Since the game of Renegade sells pretty cheap nowadays- more people must be buying it. Lately, I have seen a lot of engies fixing enemy tanks with the blue beam of death, getting out of vehicles to repair in the field, tank stealing and various other noobish actions. I think a whole new generation of noobs are out there just waiting to be trained.

Or mayby I am wrong.

(Or report them to n00bstories.com if they don't want to learn)

Both "rofl" and "rotfl" stand for "Rolling on the floor laughing". "rotfl" just includes the "the" in the acronymn.
