Now I bet there are numbrus of guys on this forum who would love to be on the crew of a website... bad thing is... most renegade site either already have a full crew or need specified crew.

way.

What I need are:

Vice-webmaster: Help me run the site and maintain it.

Writer: Write articals, previews, reviews and more of that stuff.

Heaf od forums: No site is complete without forums, all i need is someone to run them!

Intrestted? Send me an e mail at: [Tha\\_funmaker@hotmail.com](mailto:Tha_funmaker@hotmail.com) and youl get a reply from me.

Havoc\_elitel could get kinda in to that... but its also for a clan im gonna start later on.  
If future use is for a clan, then recruit clan member and give them the jobs.

If your going to make one make it decent. Don't use geocities or tripod or any of that free crap. PHP Nuke rocks, works great for Dri Reign. Even if we only get 40 or so visitors a day, I try to keep it updated. Too bad the domian name expired.
