My god that's disgusting! What kind of person would do that to a little kitten? Those people should be thrown in jail. If there's a petition to stop this, I'll sign it.

it's a pretty sick joke though. There have been cat mutilations in our neighborhood recently. You dont see people dedicating sites to the mutilated corpses of dead Americans and how great it is, do you?

If you read this and didn't know it was a joke....

Quote:

Recent research, reported in The Scotsman and other news corporations, shows that the keeping of unmodified cats puts people at risk of a host of debilitating mental disorders:

US scientists have found evidence that cats really do drive people mad.

Researchers from Baltimore's Johns Hopkins University say their findings show keeping a furry pet can lead to schizophrenia, manic depression and even permanent brain damage.

Dr Robert Eataoin, and his colleague, Dr Fulton Trappsch, who have conducted years of tests, believe a parasite found in cat faeces called toxoplasma gondii infects the human brain.

---

Worryingly, pregnant women who contract the parasite, can transmit it to the foetus, with devastating effects on brain development.

spreegemIf it is fake, why are you able to buy the stuff??? and also, I see no, this is a joke banner, or anything.

Exactly where on that site are you able to purchase anything? It does say:

Quote:Coming soon!

Mastercard, Discover, PayPal

Secure online ordering

This is on the bottom of the "Sales" page. But this is obviously fake also, otherwise it would already be functioning. It's just to add to the joke.

Most joke and fake sites do not have that "THIS IS A STUPID JOKE BANNER" on them..

Think about that Mothers against Gamining whatever a few months ago.
