Isn't "gay Pokemon" redundant?

Also:

[18:09] [Havocman]: Go there. Take down that Topic or im Sueing.

[18:09] [Havocman]: Slicer told me about it.

Learn how to spell "suing" then maybe we'll talk.

LOL, I'd love to see what grounds this would be on.

In order for the harrasment to stand, n00bstories would have to consistantly and actively search him down and well, harass him. If he goes to the area numerous times where he was harrassed, then (I forget the legal term) he can't do anything about it because he came to a place where he knew it would happen.

If for whatever reason he decides to change to defamation of character or slander, your online reputation does not fall under that category unless we use his real name, and his personal life was greatly affected by it. (And no, hurting his feelings is not slander)

Edit: I can't believe I missed this!

Edit2: check out this site <http://www.onlineharassment.com> it explains it fairly well.

Note: CaptKurt and ACK check out this link within the site

Yet another one... Edit3: mew3436 is havocman himself

Well let's see...

- 1) I (n00bstories) am not hosting the download of the audio clip.
- 2) I wasn't involved in the recorded incident of Havocman losing his temper.
- 3) Havocman verbally assaulted people first.

Good luck finding a lawyer who will take THAT case!

No, but whiny minors with their thumbs up their asses can annoy their parents to sue. Either way, n00bstories has one of the best lawyers from Canada.

/me points to warranto.

LOL, thanks! But I'm currently just a wannabe. I'm only 21, and I need 8 years of university, and the bar exam before it becomes official.
