Ok, who is registering a bunch of "KIRBY" names?

That's just plain wierd.

I used this name, as my dog is named Kirby, and I was impatient to register on WOL when I bought this game. What's your excuses?

Well then. I guess it's good that you are aspiring to greatness, but changing your name doesn't make you worth any more, to anyone.

No offense to your creative genius, but your name is the name of a popular video game character with some numbers after it.

It's not surprising that someone else may have genuinely thought up the same thing with no intent to impersonate you.

Granted, but two within 5 minutes?

I suspect one of my fans is making a pathetic attempt at charachter assasination.
