If you dont request the song you want here it wont get played. At 6:00 pm EST [-5 GMT].

The things that are needed:
Artist - Song in that format.

That is about it.

Oh yea...there are 2 versions of Trooper that I have found floating around on the internet.

1. The proper version (sounds nice to the ears.
2. A PIECE OF SHIT version that some arse klown edited till it sounded horrible in an attempt to sound cool.

If you havn't heard the song, go to IronMaiden.com.
They let you hear every song and video.
